Index to volume 17

Subject index

Aboriginals, Australian
Aboriginal health and history [review] **3** 289–90
Acute hepatitis B infection in Aboriginal Australians (Wan X, Currie B, Miller N, Mathews JD) **4** 331–3
Food habits in Aborigines and persons of European descent of southeastern Australia (Guest CS, O'Dea K) **4** 321–4
Public hospital activity, expenditure and staffing levels of indigenous and nonindigenous settlements in remote Queensland (Hart RFG, Ring I, Runciman C) **4** 325–30

accidents *see* injuries

acquired immune deficiency syndrome
Are *all* gay men pre-AIDS cases? [letter] (Schüklenk U) **2** 178–9
Assessing the extent of the Australian HIV epidemic from AIDS surveillance data (Becker NG, Watson LF, Marschner IC, Motika M, et al.) **3** 226–31
Attitudes and behaviours surrounding the HIV test [letter] (Donovan B) **2** 177, (response, Waddell C) 177–8
Factors associated with heroin users' AIDS risk-taking behaviours (Caplehorn JRM, Saunders JB) **1** 13–17
Falling incidence of HIV infection in a cohort of clinic attenders (Kaldor J, Williamson P, Guinan JJ, Imrie A, Gold J) **4** 334–8
The heterosexual HIV risk debate [letter] (Richters J) **2** 176–7
HIV & AIDS (rev. Kerr L) **2** 181–2
Medical misadventure, indemnity and public health [editorial] (Watson CR, Plant AJ) **2** 88–90
Report from Berlin: Ninth AIDS Conference—Prevention (Kelaher M) **4** 390–2
Rethinking AIDS: the tragic cost of premature consensus (rev. Schüklenk U) **2** 183–4
Sexual practices, sexually transmitted diseases and other risk factors for HIV among injecting drug users (Chetwynd J, Chambers A, Hughes A) **1** 32–5
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) **1** 27–31

adolescence
Comparison of three data collection methodologies for the study of young illicit drug users (Spooner C, Flaherty B) **3** 195–202
Injuries due to falls from horses (Buckley SM, Chalmers DJ, Langley JD) **3** 269–71
Risks of premature death from smoking in 15-year-old Australians (Taylor R) **4** 358–64
Sale of cigarettes to minors [letter] (Goodin M) **2** 176
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) **3** 202–8

aged
The benefits of exercise in postmenopausal women (Caplan GA, Ward JA, Lord SR) **1** 23–6
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
Footwear and falls in the elderly [letter] (Marr S) **4** 398-9, (response, Lord S) **4** 399

aged care
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) **2** 131–4
The health and wellbeing of informal caregivers: a review and study program (Herrman H, Singh B, Schofield H, Eastwood R, et al.) **3** 261–6
Invisibility of carers [letter] (Salkeld G) **3** 286
Medication use and its correlates among the elderly (Gilbert A, Luszcz M, Owen N) **1** 18–22
Perceptions of unmet need in four community services for elderly people (Baume P, Isaacson B, Hunt J) **3** 267–8

aging
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8

AIDS *see* acquired immune deficiency syndrome

air pollution
A study of building structural features associated with high indoor air concentrations of organochlorine termiticides (Pisaniello DL, Gun RT, Tkaczuk MN, Hann C, Crea J) **3** 237–40
Lead and pollution—an overview [editorial] (Mason C) **4** 296–8
Living near a lead smelter: an environmental health risk assessment in Boolaroo and Argenton, New South Wales (Galvin J, Stephenson J, Wlodarczyk J, Loughran R, Waller R) **4** 373–8

alcohol control
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) **2** 91–5

alcohol use
Blood alcohol levels of patrons leaving licensed premises in Perth, Western Australia (Rydon P, Stockwell T, Syed DA, Jenkins EM) **4** 337–45

alternative medicine
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) **2** 135–44

antenatal care *see* pregnancy

antenatal period
Fetal and infant origins of adult disease (rev. Scrimgeour D) **3** 290–2

anthropology
Social controls, harm minimisation and interactive outreach: the public health implications of an ethnography of drug use (Moore D) **1** 58–67

audiovisual aids
Educating the public—Norman Swan's *Plagued* [editorial] (Morrell S, Lloyd P, Blumer C, McCarthy S) **3** 188–90

behaviour *see* health behaviour

beliefs *see* health beliefs

biostatistics
Assessing the extent of the Australian HIV epidemic from AIDS surveillance data (Becker NG, Watson LF, Marschner IC, Motika M, et al.) **3** 226–31

bisexuality
Attitudes and behaviours surrounding the HIV test [letter] (Donovan B) **2** 177, (response, Waddell C) 177–8
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) **1** 27–31

blood cholesterol *see* cholesterol

bone density
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8

burns
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23

cancer
Cancer screening (rev. Glasziou P) **4** 401
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) **1** 79
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) **4** 302–5

cardiovascular disease
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) **4** 306–13
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) **2** 109–16

Community worry about heart disease: a needs survey in the Coalfields and Newcastle areas of the Hunter region (Higginbotham N, Heading G, Pont J, Plotnikoff R, et al.) 4 314–21
The definition and assessment of physical activity in cardiovascular risk reduction research (Lee C) 3 190–4
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) 3 215–21

cervical smears
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) 1 79

child health
Acute hepatitis B infection in Aboriginal Australians (Wan X, Currie B, Miller N, Mathews JD) 4 331–3
Blood lead levels in children in Perth, Western Australia (Threlfall T, Kent N, Garcia-Webb P, Byrnes E, Psaila-Savona P) 4 379–81
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) 3 231–6
The epidemiology of childhood hyperactivity (rev. Luk E) 4 402
A healthy start. Holistic approaches to health promotion in school communities (rev. Short L) 1 81–2
Hepatitis B vaccination of high-risk neonates in the South West Region of New South Wales: evaluation of program coverage (Riley R, Maher C, Kolbe A) 2 171–3
Living near a lead smelter: an environmental health risk assessment in Boolaroo and Argenton, New South Wales (Galvin J, Stephenson J, Wlodarczyk J, Loughran R, Waller R) 4 373–8
Local injury information, community participation and injury reduction (Jeffs D, Booth D, Calvert D) 4 365–72
Parental reporting of a child's measles immunisation status [letter] (Hawe P) 4 400
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) 3 202–8

children
Child care for mildly sick children (Ferson M) 4 393–4
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) 2 116–23
Fetal and infant origins of adult disease [review] 3 290–2
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) 3 221–5
Sale of cigarettes to minors [letter] (Goodin M) 2 176

Chinese-Australians
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) 4 306–13

cholesterol
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) 2 109–16

class, social *see* socioeconomic factors

coal mining
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) 4 302–5
A cluster of cases: coincidence or cause for concern? [editorial] (Simpson J, Newell D) 4 300–1

community development
Healthy public policy at the local level (rev. Short L) 4 402
A holosphere of healthy and sustainable communities (Labonté R) 1 4–12

community health
Community worry about heart disease: a needs survey in the Coalfields and Newcastle areas of the Hunter region (Higginbotham N, Heading G, Pont J, Plotnikoff R, et al.) 4 314–21
Local injury information, community participation and injury reduction (Jeffs D, Booth D, Calvert D) 4 365–72
Perceptions of unmet need in four community services for elderly people (Baume P, Isaacson B, Hunt J) 3 267–8

coronary heart disease *see* cardiovascular disease; heart disease

cost analysis
Cost-effectiveness of mammographic screening in Australia (Carter R, Glasziou P, van Ootmarssen G, de Koning H, et al.) 1 42–50
QALYs: a personal experience [letter] (Chapman S) 4 397
QALYs for resource allocation: probably not and certainly not now (Burrows C, Brown K) 3 278–86
QALYs for resource allocation: a reply to Burrows and Brown (Richardson J, Schwartz S, Glasziou P) 4 394–6
Quality-adjusted life years: origins, measurements, applications, objections (Schwartz S, Richardson J, Glasziou PP) 3 272–8

costing health care
The recent Medicare agreement, goals and targets, and health outcomes [editorial] (Leeder S) 2 87–8

deafness *see* hearing loss

developing countries
The health of adults in the developing world (rev. Weeramanthri T) 3 289–90

diet *see* nutrition

dioxins
Assessment of dioxin-related health risks for the Melbourne metropolitan area (Carlo GL, Sund KG, Baller J) 2 162–8
Chemical hazards in the Melbourne metropolitan area [letters] (Stringer R, Johnston P and Carlo GL, Sund KG) 3 286–8
Background soil concentrations of phenolic compounds, chlorinated herbicides, PCDDs and PCDFs in the Melbourne metropolitan area (Sund KG, Carlo GL, Crouch RL, Senefelder BC) 2 157–61

disability
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) 2 131–4
The health and wellbeing of informal caregivers: a review and study program (Herrman H, Singh B, Schofield H, Eastwood R, Burgess P, Lewis V, Scotton R) 3 261–6
Invisibility of carers [letter] (Salkeld G) 3 286

disease outbreak investigation
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) 3 231–6
An outbreak of Norwalk-like gastroenteritis associated with contaminated drinking water at a caravan park (McAnulty JM, Rubin GL, Carvan CT, Huntley EJ, et al.) 1 36–41

drink-driving
Blood alcohol levels of patrons leaving licensed premises in Perth, Western Australia (Rydon P, Stockwell T, Syed DA, Jenkins EM) 4 337–45

drinking *see* alcohol use

drug use
Benzodiazepine utilisation in Australia: report from a new pharmacoepidemiological database (Mant A, Whicker SD, McManus P, Birkett DJ, et al.) 4 345–9
The facts about drug use: coping with drugs and alcohol in your family, at work, in your community (rev. Conaty S) 3 405–6
Medication use and its correlates among the elderly (Gilbert A, Luszcz M, Owen N) 1 18–22
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) 2 91–5

drug use, illicit
Comparison of three data collection methodologies for the study of young illicit drug users (Spooner C, Flaherty B) 3 195–202
Factors associated with heroin users' AIDS risk-taking behaviours (Caplehorn JRM, Saunders JB) 1 13–17
Sexual practices, sexually transmitted diseases and other risk factors for HIV among injecting drug users (Chetwynd J, Chambers A, Hughes A) 1 32–5
Social controls, harm minimisation and interactive outreach: the public health implications of an ethnography of drug use (Moore D) 1 58–67

ecologically sustainable development
A holosphere of healthy and sustainable communities (Labonté R) **1** 4–12

economics *see* health economics

entomology
A colour atlas of arthropods in clinical medicine (rev. Sinclair DP) **2** 184

environment
A holosphere of healthy and sustainable communities (Labonté R) **1** 4–12

environmental health
Assessment of dioxin-related health risks for the Melbourne metropolitan area (Carlo GL, Sund KG, Baller J) **2** 162–8
Background soil concentrations of phenolic compounds, chlorinated herbicides, PCDDs and PCDFs in the Melbourne metropolitan area (Sund KG, Carlo GL, Crouch RL, Senefelder BC) **2** 157–61
Blood lead levels in children in Perth, Western Australia (Threlfall T, Kent N, Garcia-Webb P, Byrnes E, Psaila-Savona P) **4** 379–81
Chemical hazards in the Melbourne metropolitan area [letters] (Stringer R, Johnston P and Carlo GL, Sund KG) **3** 286–8
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) **4** 302–5
A cluster of cases: coincidence or cause for concern? [editorial] (Simpson J, Newell D) **4** 300–1
Health and housing—seasonality in New Zealand mortality (Isaacs N, Donn M) **1** 68–70
Healthy cities (rev. Whelan A) **2** 180–1
Lead and pollution—an overview [editorial] (Mason C) **4** 296–8
Living near a lead smelter: an environmental health risk assessment in Boolaroo and Argenton, New South Wales (Galvin J, Stephenson J, Wlodarczyk J, Loughran R, Waller R) **4** 373–8
A study of building structural features associated with high indoor air concentrations of organochlorine termiticides (Pisaniello DL, Gun RT, Tkaczuk MN, Hann C, Crea J) **3** 237–40

epidemiology
Acute hepatitis B infection in Aboriginal Australians (Wan X, Currie B, Miller N, Mathews JD) **4** 331–3
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) **3** 231–6
Educating the public—Norman Swan's *Plagued* [editorial] (Morrell S, Lloyd P, Blumer C, McCarthy S) **3** 188–90
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
Injuries due to falls from horses (Buckley SM, Chalmers DJ, Langley JD) **3** 269–71
International epidemiology [letter] (Weeramanthri T) **4** 400
See also methodology, epidemiological

equity
Public hospital activity, expenditure and staffing levels for indigenous and nonindigenous settlements in remote Queensland (Hart RFG, Ring I, Runciman C) **4** 325–30

ethnic groups *see* immigrants

eugenics
Eugenics, human genetics and human failings. The Eugenics Society, its sources and its critics in Britain (rev. Kerr C) **1** 82–3
The Eugenics Society—comments on a review [letter] (Martin N) **2** 176

evaluation
Comparison of three data collection methodologies for the study of young illicit drug users (Spooner C, Flaherty B) **3** 195–202
Evaluating petrol-sniffing prevention programs [letter] (Mobbs R) **1** 79–80
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23
Hepatitis B vaccination of high-risk neonates in the South West Region of New South Wales: evaluation of program coverage (Riley R, Maher C, Kolbe A) **2** 171–3
Satisfaction of attenders during the establishment of an Australian mammography screening program (Cockburn J, Hill D, De Luise T, Flint-Richter D) **2** 103–8
A tentative cost-utility analysis of road safety education (Shiell A, Smith RD) **2** 128–30
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) **2** 91–5

exercise
The benefits of exercise in postmenopausal women (Caplan GA, Ward JA, Lord SR) **1** 23–6
The definition and assessment of physical activity in cardiovascular risk reduction research (Lee C) **3** 190–4

food *see* nutrition

food consumption studies
Food consumption based on Australian dietary guidelines can cost less than traditional Australian diets [letter] (Lawson JS) **4** 397–8
Food habits in Aborigines and persons of European descent of southeastern Australia (Guest CS, O'Dea K) **4** 321–4
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387

fractures
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8

gay communities
Attitudes and behaviours surrounding the HIV test [letter] (Donovan B) **2** 177, (response, Waddell C) 177–8
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) **1** 27–31

general practitioners
Bulk-billing of general practitioner services: the evidence (Richardson J) **1** 74–5
Bulk-billing of Medicare: more about the evidence (Rosenman S, Mackinnon J) **1** 75–6
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) **2** 149–57
General practice smoking cessation [letter] (Walsh et al.) **1** 77–8

genetics
Eugenics, human genetics and human failings. The Eugenics Society, its sources and its critics in Britain (rev. Kerr C) **1** 82–3
The Eugenics Society—comments on a review [letter] (Martin N) **2** 176

Greek-Australians
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21

handicapped *see* disability

health behaviour
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) **2** 135–44
The epidemiology of childhood hyperactivity (rev. Luk E) **4** 402
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387
Solar protection behaviours: a study of beachgoers (Foot G, Girgis A, Boyle CA, Sanson-Fisher RW) **3** 209–14

health beliefs
Community worry about heart disease: a needs survey in the Coalfields and Newcastle areas of the Hunter region (Higginbotham N, Heading G, Pont J, Plotnikoff R, et al.) **4** 314–21
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) **3** 202–8

health care funding
Public hospital activity, expenditure and staffing levels for indigenous and nonindigenous settlements in remote Queensland (Hart RFG, Ring I, Runciman C) **4** 325–30

health economics
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) **2** 131–4
Cost-effectiveness of mammographic screening in Australia (Carter R, Glasziou P, van Ootmarssen G, De Koning H, et al.) **1** 42–50
Diffusion of new technologies to treat renal stones in Australia (Hirsch N) **4** 384–7
Food consumption based on Australian dietary guidelines can cost less than traditional Australian diets [letter] (Lawson JS) **4** 397–8
Invisibility of carers [letter] (Salkeld G) **3** 286
Medical misadventure, indemnity and public health [editorial] (Watson CR, Plant AJ) **2** 88–90
QALYs for resource allocation: probably not and certainly not now (Burrows C, Brown K) **3** 278–86
QALYs for resource allocation: a reply to Burrows and Brown (Richardson J, Schwartz S, Glasziou P) **4** 394–6
Quality-adjusted life years: origins, measurements, applications, objections (Schwartz S, Richardson J, Glasziou PP) **3** 272–8
A tentative cost-utility analysis of road safety education (Shiell A, Smith RD) **2** 128–30
World development report 1993: investing in health (rev. Tsey K) **4** 404–5

health education
A healthy start. Holistic approaches to health promotion in school communities (rev. Short L) **1** 81–2
Is there life after Foucault? Poststructuralism and the health social sciences [editorial] (Lupton D) **4** 298–300

health information
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) **2** 149–57
Information-seeking behaviour and sources of health information: associations with risk factor status in an analysis of three Queensland electorates (Kassulke D, Stenner-Day K, Coory M, Ring I) **1** 51–7
Local injury information, community participation and injury reduction (Jeffs D, Booth D, Calvert D) **4** 365–72

health policy
Healthy cities (rev. Whelan A) **2** 180–1
Healthy public policy at the local level (rev. Short L) **4** 402
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) **3** 221–5
A holosphere of healthy and sustainable communities (Labonté R) **1** 4–12
Invisibility of carers [letter] (Salkeld G) **3** 286
Medical misadventure, indemnity and public health [editorial] (Watson CR, Plant AJ) **2** 88–90
The recent Medicare agreement, goals and targets, and health outcomes [editorial] (Leeder S) **2** 87–8
QALYs: a personal experience [letter] (Chapman S) **4** 397
QALYs for resource allocation: probably not and certainly not now (Burrows C, Brown K) **3** 278–86
QALYs for resource allocation: a reply to Burrows and Brown (Richardson J, Schwartz S, Glasziou P) **4** 394–6
Quality-adjusted life years: origins, measurements, applications, objections (Schwartz S, Richardson J, Glasziou PP) **3** 272–8
Public health in Australia: a personal reflection [editorial] (McMichael T) **4** 295–6
Sale of cigarettes to minors [letter] (Goodin M) **2** 176
Tertiary ambulatory care: its strategic importance in future health care [editorial] (Wahlqvist ML, Wright C) **3** 187
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) **2** 91–5

health professions
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) **1** 79
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) **2** 135–44
Generalism and specialism in public health [editorial] (Morey S) **1** 2–3

health program evaluation *see* evaluation

health promotion
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) **2** 109–16
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) **2** 149–57
General practice smoking cessation [letter] (Walsh et al.) **1** 77–8
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, et al.) **3** 215–21
Healthy cities (rev. Whelan A) **2** 180–1
A healthy start. Holistic approaches to health promotion in school communities (rev. Short L) **1** 81–2
Information-seeking behaviour and sources of health information: associations with risk factor status in an analysis of three Queensland electorates (Kassulke D, Stenner-Day K, Coory M, Ring I) **1** 51–7
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) **2** 91–5

health research
Is there life after Foucault? Poststructuralism and the health social sciences [editorial] (Lupton D) **4** 298–300
Public health in Australia: a personal reflection [editorial] (McMichael T) **4** 295–6

health services
Bulk-billing of general practitioner services: the evidence (Richardson J) **1** 74–5
Bulk-billing of Medicare: more about the evidence (Rosenman S, Mackinnon J) **1** 75–6
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) **2** 135–44
The integrity of the vaccine cold chain in the Hunter area of New South Wales (Miles TA) **2** 169–71
The recent Medicare agreement, goals and targets, and health outcomes [editorial] (Leeder S) **2** 87–8
Satisfaction of attenders during the establishment of an Australian mammography screening program (Cockburn J, Hill D, De Luise T, Flint-Richter D) **2** 103–8
Tertiary ambulatory care: its strategic importance in future health care [editorial] (Wahlqvist ML, Wright C) **3** 187

health surveys *see* survey methodology

health systems
Generalism and specialism in public health [editorial] (Morey S) **1** 2–3

hearing loss
Prevalence of hearing loss [letter] (Taylor A, Wilson D, Read P) **1** 77

heart disease
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) **4** 306–13
Community worry about heart disease: a needs survey in the Coalfields and Newcastle areas of the Hunter region (Higginbotham N, Heading G, Pont J, Plotnikoff R, et al.) **4** 314–21
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21
Heart disease risk factors in the Vietnamese community of southwestern Sydney (Rissel C, Russell C) **1** 71–3

hepatitis
Acute hepatitis B infection in Aboriginal Australians (Wan X, Currie B, Miller N, Mathews JD) **4** 331–3
Hepatitis B vaccination in New Zealand [letter] (Milne S) **4** 398
Hepatitis B vaccination of high-risk neonates in the South West Region of New South Wales: evaluation of program coverage (Riley R, Maher C, Kolbe A) **2** 171–3
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) **3** 221–5

heterosexuals
Attitudes and behaviours surrounding the HIV test [letter] (Donovan B) **2** 177, (response, Waddell C) 177–8
The heterosexual HIV risk debate [letter] (Richters J) **2** 176–7
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) **1** 27–31

hip fracture
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8

history of medicine
British medicine in an age of reform (rev. Pearn J) **3** 292

HIV (human immunodeficiency virus) *see* acquired immune deficiency syndrome

home care
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) **2** 131–4
The health and wellbeing of informal caregivers: a review and study program (Herrman H, Singh B, Schofield H, Eastwood R, et al.) **3** 261–6
Invisibility of carers [letter] (Salkeld G) **3** 286

homeless persons
Vitamin supplementation and nutritional status in homeless men (Darnton-Hill I, Sriskandarajah N, Stewart PM, Craig G, Truswell AS) **3** 246–51

hospitals
Tertiary ambulatory care: its strategic importance in future health care [editorial] (Wahlqvist ML, Wright C) **3** 187

hostels *see* nursing homes

housing
Health and housing—seasonality in New Zealand mortality (Isaacs N, Donn M) **1** 68–70
A study of building structural features associated with high indoor air concentrations of organochlorine termiticides (Pisaniello DL, Gun RT, Tkaczuk MN, Hann C, Crea J) **3** 237–40

human immunodeficiency virus *see* acquired immune deficiency syndrome

hypertension *see* cardiovascular disease

immigrants
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) **4** 306–13
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21
Heart disease risk factors in the Vietnamese community of southwestern Sydney (Rissel C, Russell C) **1** 71–3

immunisation
Hepatitis B vaccination in New Zealand [letter] (Milne S) **4** 398
Hepatitis B vaccination of high-risk neonates in the South West Region of New South Wales: evaluation of program coverage (Riley R, Maher C, Kolbe A) **2** 171–3
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) **3** 221–5
The integrity of the vaccine cold chain in the Hunter area of New South Wales (Miles TA) **2** 169–71
Medical misadventure, indemnity and public health [editorial] (Watson CR, Plant AJ) **2** 88–90
Parental reporting of a child's measles immunisation status [letter] (Hawe P) **4** 400

infants *see* children

infectious diseases
Acute hepatitis B infection in Aboriginal Australians (Wan X, Currie B, Miller N, Mathews JD) **4** 331–3
A colour atlas of arthropods in clinical medicine (rev. Sinclair DP) **2** 184
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) **3** 231–6
Educating the public—Norman Swan's *Plagued* [editorial] (Morrell S, Lloyd P, Blumer C, McCarthy S) **3** 188–90
Hepatitis B vaccination in New Zealand [letter] (Milne S) **4** 398
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) **3** 221–5
An outbreak of Norwalk-like gastroenteritis associated with contaminated drinking water at a caravan park (McAnulty JM, Rubin GL, Carvan CT, Huntley EJ, et al.) **1** 36–41

injuries
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23
Footwear and falls in the elderly [letter] (Marr S) **4** 398–9 [reply] (Lord S) **4** 399
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8
Injuries due to falls from horses (Buckley SM, Chalmers DJ, Langley JD) **3** 269–71
Local injury information, community participation and injury reduction (Jeffs D, Booth D, Calvert D) **4** 365–72

international health
Healthy cities (rev. Whelan A) **2** 180–1
World development report 1993: investing in health (rev. Tsey K) **4** 404–5

ischaemic heart disease
Risks of premature death from smoking in 15-year-old Australians (Taylor R) **4** 358–81

lead
Blood lead levels in children in Perth, Western Australia (Threlfall T, Kent N, Garcia-Webb P, Byrnes E, Psaila-Savona P) **4** 379–81
Lead and pollution—an overview [editorial] (Mason C) **4** 296–8
Living near a lead smelter: an environmental health risk assessment in Boolaroo and Argenton, New South Wales (Galvin J, Stephenson J, Wlodarczyk J, Loughran R, Waller R) **4** 373–8

lung cancer
Risks of premature death from smoking in 15-year-old Australians (Taylor R) **4** 358–64

mammography
Cost-effectiveness of mammographic screening in Australia (Carter R, Glasziou P, van Ootmarssen G, de Koning H, et al.) **1** 42–50
Satisfaction of attenders during the establishment of an Australian mammography screening program (Cockburn J, Hill D, De Luise T, Flint-Richter D) **2** 103–8

mass media
Educating the public—Norman Swan's *Plagued* [editorial] (Morrell S, Lloyd P, Blumer C, McCarthy S) **3** 188–90

medical care costs
Medical misadventure, indemnity and public health [editorial] (Watson CR, Plant AJ) **2** 88–90

medical politics
The recent Medicare agreement, goals and targets, and health outcomes [editorial] (Leeder S) **2** 87–8

medical profession *see* health professions

medical technology
Diffusion of new technologies to treat renal stones in Australia (Hirsch N) **4** 384–7

Medicare
Bulk-billing of general practitioner services: the evidence (Richardson J) **1** 74–5
Bulk-billing of Medicare: more about the evidence (Rosenman S, Mackinnon J) **1** 75–6
The recent Medicare agreement, goals and targets, and health outcomes [editorial] (Leeder S) **2** 87–8

methodology, epidemiological
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) **4** 302–5
A cluster of cases: coincidence or cause for concern? [editorial] (Simpson J, Newell D) **4** 300–1
Comparison of three data collection methodologies for the study of young illicit drug users (Spooner C, Flaherty B) **3** 195–202

migrants *see* immigrants

modelling, mathematical *see* biostatistics

mortality
Risks of premature death from smoking in 15-year-old Australians (Taylor R) **4** 358–64

motor accidents *see* injuries; road safety

New South Wales
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) **2** 135–44
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) **4** 302–5
Community worry about heart disease: a needs survey in the Coalfields and Newcastle areas of the Hunter region (Higginbotham N, Heading G, Pont J, Plotnikoff R, et al.) **4** 314–21
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) **2** 109–16
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) **2** 131–4
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21
Heart disease risk factors in the Vietnamese community of southwestern Sydney (Rissel C, Russell C) **1** 71–3
Hepatitis B vaccination of high-risk neonates in the South West Region of New South Wales: evaluation of program coverage (Riley R, Maher C, Kolbe A) **2** 171–3
The integrity of the vaccine cold chain in the Hunter area of New South Wales (Miles TA) **2** 169–71
Living near a lead smelter: an environmental health risk assessment in Boolaroo and Argenton, New South Wales (Galvin J, Stephenson J, Wlodarczyk J, Loughran R, Waller R) **4** 373–8

New Zealand
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23
Health and housing—seasonality in New Zealand mortality (Isaacs N, Donn M) **1** 68–70
Hepatitis B vaccination in New Zealand [letter] (Milne S) **4** 398
History of hepatitis B vaccination in New Zealand: lessons for Australia? (Goldwater PN) **3** 221–5

Northern Territory
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) **3** 231–6

nurse practitioners
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) **1** 79

nursing homes
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) **2** 131–4

nutrition
Food consumption based on Australian dietary guidelines can cost less than traditional Australian diets [letter] (Lawson JS) **4** 397–8
Food habits in Aborigines and persons of European descent of southeastern Australia (Guest CS, O'Dea K) **4** 321–4
Report from Lyon: nutrition and cancer (Mackerras D) **4** 388–90

nutritional assessment
Dietary assessment—where is it going? (Marks GC, Smith WT, Harvey PWJ, Stickney EK, et al.) **2** 174–5
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387
Vitamin supplementation and nutritional status in homeless men (Darnton-Hill I, Sriskandarajah N, Stewart PM, Craig G, Truswell AS) **3** 246–51

occupational injury and disease
A cluster of brain tumours in a New South Wales colliery: a problem in interpretation (Brown AM, Christie D, Devey P, Nie V, Hicks M) **4** 302–5
A cluster of cases: coincidence or cause for concern? [editorial] (Simpson J, Newell D) **4** 300–1

outbreak investigation *see* disease outbreak investigation

Pap smear *see* cervical smears

pesticides
A study of building structural features associated with high indoor air concentrations of organochlorine termiticides (Pisaniello DL, Gun RT, Tkaczuk MN, Hann C, Crea J) **3** 237–40

petrol-sniffing prevention
Evaluating petrol-sniffing prevention programs [letter] (Mobbs R) **1** 79–80

pharmacoepidemiology
Benzodiazepine utilisation in Australia: report from a new pharmacoepidemiological database (Mant A, Whicker SD, McManus P, Birkett DJ, et al.) **4** 345–9

phenols
Background soil concentrations of phenolic compounds, chlorinated herbicides, PCDDs and PCDFs in the Melbourne metropolitan area (Sund KG, Carlo GL, Crouch RL, Senefelder BC) **2** 157–61
Chemical hazards in the Melbourne metropolitan area [letters] (Stringer R, Johnston P and Carlo GL, Sund KG) **3** 286–8

physical hazards
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23

pollution *see* air pollution; environment

pregnancy
Antenatal care: a case of the inverse care law? (Brown S, Lumley J) **2** 95–103

prevention
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) **2** 149–57
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23

Report from Berlin: Ninth AIDS Conference—Prevention (Kelaher M) 4 390–2

primary care
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) 2 135–44
A colour atlas of arthropods in clinical medicine (rev. Sinclair DP) 2 184
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) 1 27–31

public health
Generalism and specialism in public health [editorial] (Morey S) 1 2–3
Prevalence of hearing loss [letter] (Taylor A et al.) 1 77
Public health in Australia: a personal reflection [editorial] (McMichael T) 4 295–6

Queensland
Information-seeking behaviour and sources of health information: associations with risk factor status in an analysis of three Queensland electorates (Kassulke D, Stenner-Day K, Coory M, Ring I) 1 51–7
Is there a rural suicide problem? (Cantor CH, Coory M) 4 382–4
Public hospital activity, expenditure and staffing levels of indigenous and nonindigenous settlements in remote Queensland (Hart RFG, Ring I, Runciman C) 4 325–30
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) 3 202–8

questionnaires
Constructing questions for interviews and questionnaires: theory and practice in social research (rev. Quine S) 4 401
Dietary assessment—where is it going? (Marks GC, Smith WT, Harvey PWJ, Stickney EK, et al.) 2 174–5
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) 2 144–9, [correction] 4 387

referees
Journal article referees for 1993 4 418

renal disease
Diffusion of new technologies to treat renal stones in Australia (Hirsch N) 4 384–7

resource allocation
The costs and experiences of caring for sick and disabled geriatric patients—Australian observations (Smith B, O'Malley S, Lawson J) 2 131–4
Public hospital activity, expenditure and staffing levels of indigenous and nonindigenous settlements in remote Queensland (Hart RFG, Ring I, Runciman C) 4 325–30
QALYs: a personal experience [letter] (Chapman S) 4 397
QALYs for resource allocation: probably not and certainly not now (Burrows C, Brown K) 3 278–86
QALYs for resource allocation: a reply to Burrows and Brown (Richardson J, Schwartz S, Glasziou P) 4 394–6
Quality-adjusted life years: origins, measurements, applications, objections (Schwartz S, Richardson J, Glasziou PP) 3 272–8
Tertiary ambulatory care: its strategic importance in future health care [editorial] (Wahlqvist ML, Wright C) 3 187

risk assessment
Assessing the extent of the Australian HIV epidemic from AIDS surveillance data (Becker NG, Watson LF, Marschner IC, Motika M, Newstead SV, Carlin JB) 3 226–31
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) 2 116–23

risk factors
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) 4 306–13
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) 2 109–16
The definition and assessment of physical activity in cardiovascular risk reduction research (Lee C) 3 190–4
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) 3 215–21
Heart disease risk factors in the Vietnamese community of southwestern Sydney (Rissel C, Russell C) 1 71–3
Information-seeking behaviour and sources of health information: associations with risk factor status in an analysis of three Queensland electorates (Kassulke D, Stenner-Day K, Coory M, Ring I) 1 51–7

road safety
A tentative cost-utility analysis of road safety education (Shiell A, Smith RD) 2 128–30

rural health
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) 2 149–57
Is there a rural suicide problem? (Cantor CH, Coory M) 4 382–4

schools
Control of a community outbreak of measles which started in a poorly immunised high school population (Merianos A, Miller NC, Patel MS) 3 231–6
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) 3 202–8

screening
Cancer screening (rev. Glasziou P) 4 401
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) 1 79
Cost-effectiveness of mammographic screening in Australia (Carter R, Glasziou P, van Ootmarssen G, de Koning H, et al.) 1 42–50
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) 1 27–31

sexually transmissible diseases
Assessing the extent of the Australian HIV epidemic from AIDS surveillance data (Becker NG, Watson LF, Marschner IC, Motika M, et al.) 3 226–31
Testing for HIV infection among heterosexual, bisexual and gay men (Waddell C) 1 27–31
Sexual practices, sexually transmitted diseases and other risk factors for HIV among injecting drug users (Chetwynd J, Chambers A, Hughes A) 1 32–5

skin cancer
Solar protection behaviours: a study of beachgoers (Foot G, Girgis A, Boyle CA, Sanson-Fisher RW) 3 209–14
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) 3 202–8

smoking
General practice smoking cessation [letter] (Walsh et al.) 1 77–8
Risks of premature death from smoking in 15-year-old Australians (Taylor R) 4 358–64
Sale of cigarettes to minors [letter] (Goodin M) 2 176
Tobacco in Western Australia: patterns of smoking among adults from 1974 to 1991 (Macfarlane JE, Jamrozik K) 4 350–8

socioeconomic factors
Choosing alternative therapy: an exploratory study of sociodemographic characteristics and motives of patients resident in Sydney (Lloyd P, Lupton D, Wiesner D, Hasleton S) 2 135–44
A holosphere of healthy and sustainable communities (Labonté R) 1 4–12

sociology of medicine
Is there life after Foucault? Poststructuralism and the health social sciences [editorial] (Lupton D) 4 298–300
Sociology for nurses: an Australian introduction (rev. Lupton D) 4 403–4

statistical analysis *see* biostatistics

suicide
Is there a rural suicide problem? (Cantor CH, Coory M) 4 382–4

survey methodology
Comparison of three data collection methodologies for the study of young illicit drug users (Spooner C, Flaherty B) 3 195–202

Dietary assessment—where is it going? (Marks GC, Smith WT, Harvey PWJ, Stickney EK, et al.) **2** 174–5
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387

surveys
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) **4** 306–13
Community-based cholesterol screening and education to prevent heart disease: five-year results of the North Coast Cholesterol Check Campaign (van Beurden E, James R, Montague D, Christian J, Dunn T) **2** 109–16
An epidemiological study of falls in older community-dwelling women: the Randwick falls and fractures study (Lord SR, Ward JA, Williams P, Anstey KJ) **3** 240–5
Evaluating the importance of information sources for preventive health care in rural Australia (Humphreys JS, Rolley F, Weinand HC) **2** 149–57
An evaluation of a program to reduce home hot tap water temperatures (Waller AE, Clarke JA, Langley JD) **2** 116–23
Falling incidence of HIV infection in a cohort of clinic attenders (Kaldor J, Williamson P, Guinan JJ, Imrie A, Gold J) **4** 334–8
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8
The Good Heart, Good Life survey: self-reported cardiovascular disease risk factors, health knowledge and attitudes among Greek-Australians in Sydney (Wilson A, Bekiaris J, Gleeson S, Papasavva C, et al.) **3** 215–21
Information-seeking behaviour and sources of health information: associations with risk factor status in an analysis of three Queensland electorates (Kassulke D, Stenner-Day K, Coory M, Ring I) **1** 51–7
The integrity of the vaccine cold chain in the Hunter area of New South Wales (Miles TA) **2** 169–71
Local injury information, community participation and injury reduction (Jeffs D, Booth D, Calvert D) **4** 365–72
Short fat questionnaire: a self-administered measure of fat-intake behaviour (Dobson AJ, Blijlevens R, Alexander HM, Croce N, et al.) **2** 144–9, [correction] **4** 387
Solar protection behaviours: a study of beachgoers (Foot G, Girgis A, Boyle CA, Sanson-Fisher RW) **3** 209–14
Sun-related attitudes and beliefs among Queensland school children: the role of gender and age (Lowe JB, Balanda KP, Gillespie AM, Del Mar CB, Gentle AF) **3** 202–8
Tobacco in Western Australia: patterns of smoking among adults from 1974 to 1991 (Macfarlane JE, Jamrozik K) **4** 350–8

technology *see* medical technology

tobacco *see* smoking

tobacco control
Sale of cigarettes to minors [letter] (Goodin M) **2** 176

trauma *see* injuries

vaccines
The integrity of the vaccine cold chain in the Hunter area of New South Wales (Miles TA) **2** 169–71

venereal disease *see* sexually transmissible diseases

Victoria
Assessment of dioxin-related health risks for the Melbourne metropolitan area (Carlo GL, Sund KG, Baller J) **2** 162–8
Background soil concentrations of phenolic compounds, chlorinated herbicides, PCDDs and PCDFs in the Melbourne metropolitan area (Sund KG, Carlo GL, Crouch RL, Senefelder BC) **2** 157–61
Cardiovascular risk in adult Melbourne Chinese (Hsu-Hage BH-H, Wahlqvist M) **4** 306–13

vitamins
Vitamin supplementation and nutritional status in homeless men (Darnton-Hill I, Sriskandarajah N, Stewart PM, Craig G, Truswell AS) **3** 246–51

water supply
An outbreak of Norwalk-like gastroenteritis associated with contaminated drinking water at a caravan park (McAnulty JM, Rubin GL, Carvan CT, Huntley EJ, et al.) **1** 36–41

Western Australia
Blood alcohol levels of patrons leaving licensed premises in Perth, Western Australia (Rydon P, Stockwell T, Syed DA, Jenkins EM) **4** 337–45
Blood lead levels in children in Perth, Western Australia (Threlfall T, Kent N, Garcia-Webb P, Byrnes E, Psaila-Savona P) **4** 379–81
Fracture prevalence in an Australian population (Prince RL, Knuiman MW, Gulland L) **2** 124–8
Social controls, harm minimisation and interactive outreach: the public health implications of an ethnography of drug use (Moore D) **1** 58–67
Tobacco in Western Australia: patterns of smoking among adults from 1974 to 1991 (Macfarlane JE, Jamrozik K) **4** 350–8
What prevents prevention? Lessons from the failure of a university alcohol and drug policy. (Lockwood A, Saunders B) **2** 91–5

women's health
Antenatal care: a case of the inverse care law? (Brown S, Lumley J) **2** 95–103
The benefits of exercise in postmenopausal women (Caplan GA, Ward JA, Lord SR) **1** 23–6
Cervical cancer screening by women's health nurses [letter] (Coxhead JI) **1** 79
The heterosexual HIV risk debate [letter] (Richters J) **2** 176–7
Satisfaction of attenders during the establishment of an Australian mammography screening program (Cockburn J, Hill D, De Luise T, Flint-Richter D) **2** 103–8
Women and health: an introduction to issues and *Women, health and medicine* (rev. Richters J) **2** 179–80
Women and health: an introduction to issues [letter] (Saltman D) **4** 399, (response, Richters J) **4** 400
